WHY Believing in the education of all students in Seventh-day Adventist schools, we exist to inspire the continual improvement of students and educators to become "something better". (*Education*, page 296)

HOW We inspire a climate of improvement by:

- enhancing the effectiveness of teachers,
- strengthening the expertise of educational leaders,
- coordinating a cohesive school system.

And...we cooperate in preparing citizens for this world, and the world to come.

Creating Leaders!

- Who prompted you to be a leader?
- In what ways could you better tap into the leadership of your staff?
- How do you know when you've stretched your team too far?
- What could you accomplish at your school this year if you created additional leaders?
- Identify one thing you learned this week about leadership that will help you create more leaders. What will do do tomorrow to start this process?
